What is Sylff connect?

Sylff connect is a Social Networking Service exclusive to Sylff fellows, to connect and collaborate in the global network.

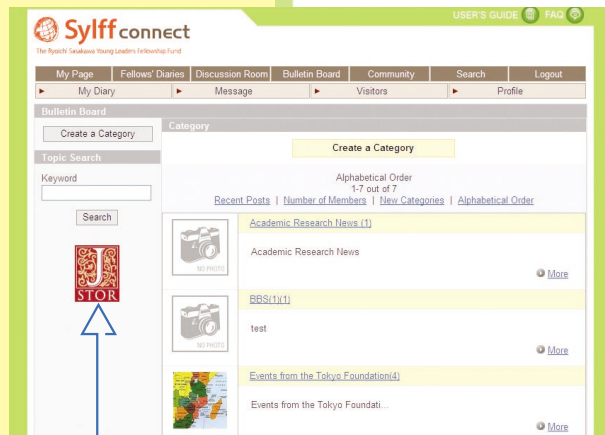

Let's maximize this cyber connection with Sylff colleagues to empower your research and social activities!!

What can you do in Sylff connect?

Discussion room: to discuss academic topics.

Bulletin board: to make announcements of events and post news of interest to Sylff fellows.

Community: to find fellows with the same interests. Apart from pre-set communities (your nationality, Sylff institution, and field of specialization), any fellow can freely start communities of his/her interest.
